Dear Bob + Annie,

Received my Ovation order. So happy to have Ovation so close and looking forward in meeting you.

We have been using Ovation since 1963. It is the greatest. The skin care and make up. I really like for it protects your face in the hot summer. One summer I helped our church have a yard sale for our youth on a Sat. on Sun. everyone had a sun burnt nose but I didn't. With Ovation make up you can even go swimming.

Ovation deodorant we have never found one we like as well.

Again looking forward to meeting you and its so great to have you so close.

Looking forward to ordering lots of Ovation!

Sincerely  
Roberta
